I have Fetal Alcohol Spectrum Disorder which causes brain injury. If I need assistance, or if you need my cooperation, you should contact the person listed on the back of this card. Because of this birth injury, I do not fully understand abstract concepts like legal rights. I could be persuaded to admit to acts that I did not actually commit. I am unable to knowingly waive any of my legal rights. Because of my disability, I do not wish to talk with law enforcement officials except in the presence of and after consulting with an attorney. I do not consent to any search of my person or property.
