The Directory of Fetal Alcohol Spectrum Disorder (FASD) Information and Support Services in Canada is a listing of organizations and individuals that provide an FASD-related service or initiative in Canada. Some organizations listed in this Directory provide services exclusively for FASD while others may provide an FASD service as one of many services. The Directory is available in electronic form as a PDF document and in print form in limited quantities free of charge.

The listings are organized alphabetically by province/territory. National organizations have been highlighted in a separate section at the beginning of the Directory and, where available, both English and French listings are provided. With the exception of those listed in the National section, the records appear in the language in which they were received for inclusion in the Directory. There are two indexes which allow for access by organization/program name and by individual/contact name.

A form is included at the back of the directory to make a suggestion for a new listing and to provide an update to a current listing or you may contact the FASD Information & Consultation Service directly (see listing in the National section of the Directory) to make changes or for additional information.

July 2005

Le **Répertoire canadien des services d'information et de soutien sur l'ensemble des troubles causés par l'alcoolisation fœtale (ETCAF)** comprend des organismes et des particuliers qui offrent un service dans le domaine de l'ETCAF ou participent à une initiative en la matière au Canada. Certains des organismes offrent des services portant exclusivement sur l'ETCAF, tandis que d'autres peuvent offrir un service sur l'ETCAF parmi d'autres types de services. Le Répertoire est accessible sur support électronique (document PDF) et gratuitement en version papier (quantités limitées).

Les inscriptions sont présentées par ordre alphabétique, selon la province ou le territoire. Les organismes nationaux sont mis en évidence dans une section distincte, au tout début du Répertoire, et elles figurent en anglais et en français, le cas échéant. Sauf pour les inscriptions dans cette section, les inscriptions figurent dans la langue dans laquelle elles ont été reçues. Le Répertoire contient deux index, le premier réunissant les noms des organismes et programmes et le second, ceux des particuliers et des personnes-ressources.

Un formulaire se trouve à la fin du Répertoire pour proposer une nouvelle inscription ou mettre à jour une fiche existante. Vous pouvez également communiquer directement avec le Service d'information et de consultation sur l'ETCAF (voir les coordonnées dans la section Nationale du Répertoire) pour faire des changements ou obtenir plus d'information.

National Services / Services nationaux

Aboriginal Nurses Association of Canada

Ms. Dawn Bruyere, Executive Director

56 Sparks St., Suite 502

Ottawa ON K1P 5A9

Tel: (613) 724-4677 Fax: (613) 724-4718

E-mail: info@anac.on.ca Web Site: <http://www.anac.on.ca>

Services: The Aboriginal Nurses Association of Canada (ANAC) is a professional organization working towards making a positive difference in the health of Aboriginal people in Canada.

Adoption Council of Canada (ACC)

Ms. Eugénie Doré, Executive Director

210 - 211 Bronson Ave.

Ottawa ON K1R 6H5

Tel: (613) 235-0344; 1-888-542-3678 (toll free in Canada) Fax: (613) 235-1728

E-mail: acc@adoption.ca Web Site: <http://www.adoption.ca>; <http://www.canadaswaitingkids.ca>

Services: The ACC raises public awareness of adoption, promotes permanent placement of waiting children and stresses the importance of post-adoption services. These services are provided through the Canada's Waiting Children Program which recruits families for waiting children, the 1-888-54-ADOPT information line, the ACC's Resource Centre, the publication of a quarterly newsletter and other resources, conference planning, and information and referrals in response to domestic and international adoption inquiries.

Alcohol and Substance Use in Pregnancy Helpline

Motherisk, The Hospital for Sick Children

555 University Ave.

Toronto ON M5G 1X8

Tel: 1-877-327-4636 (toll free in Canada)

Web Site: <http://www.motherisk.org>

Services: By dialing the toll free number in Canada, individuals who have questions or concerns related to alcohol and drug use during pregnancy and lactation will receive information, counselling and access to care in their home communities. Motherisk counselors can also make referrals for FAS diagnosis at the Motherisk Clinic, and can arrange hair and meconium tests for drug and alcohol exposure in newborn babies. Members of the medical profession who have questions or concerns about specific clients and their use of alcohol and/or drugs during pregnancy and while breastfeeding may also wish to consult this team of experts which includes pharmacologists, toxicologists, neurologists and pediatricians. This telephone service is available from 9:00 a.m. to 5:00 p.m. from coast to coast, Monday to Friday.

National Services / Services nationaux

Association canadienne pour l'intégration communautaire

M. Michael Bach,

Vice-président à la direction

Édifice Kinsmen, Université York

4700, rue Keele

North York ON M3J 1P3

Téléphone : (416) 661-9611 Télécopieur : (416) 661-5701

Services: FASWorld, une alliance regroupant des personnes et des organismes dans plusieurs pays, observe la Journée du SAF le 9 septembre chaque année. L'alliance se fixe pour but de renseigner le grand public et les professionnels sur le SAF. Pour toute demande de renseignements, veuillez communiquer avec Bonnie ou Brian.

National Services / Services nationaux

Ligne d'aide sur la consommation d'alcool et de drogues pendant la grossesse

Motherisk, The Hospital for Sick Children

555, av University

Toronto ON M5G 1X8

Téléphone : 1-877-327-4636 (sans frais au Canada)

Site Web : <http://www.motherisk.org>

Services: Motherisk met à la portée des mères qui ont des questions ou des craintes reliées à la consommation d'alcool ou de drogues au cours de la grossesse et de la lactation une ligne téléphonique sans frais, qui leur permettra d'obtenir de l'information, des conseils, ainsi que le nom des services appropriés dans leur communauté. Les conseillers du programme Motherisk peuvent également orienter les intéressées vers la clinique Motherisk pour l'établissement d'un diagnostic de SAF et prendre les dispositions nécessaires à la réalisation de tests de dépistage des drogues et de l'alcool dans les cheveux et le méconium des nouveau-nés. Les médecins qui ont des questions ou des préoccupations au sujet de la consommation d'alcool ou de drogues chez certaines de leurs patientes, qui sont enceintes ou qui allaitent, peuvent aussi consulter l'équipe de spécialistes, qui se compose de pharmacologues, de toxicologues, de neurologues et de pédiatres. Ce service téléphonique est offert 9 h à 17 h du lundi au vendredi, partout au Canada.

National Indian and Inuit Community Health Representatives Organization (NIICHRO)

P.O. Box 1019

Kahnawake QC J0L 1B0

Tel: (450) 632-0892 Fax: (450) 632-2111

E-mail: niichro@niichro.com Web Site: <http://www.niichro.com>

Services: Through funding from Public Health Agency of Canada's FAS/FAE Strategic Project Fund, NIICHRO developed and delivered a Train-the-Trainer model in both official languages for First Nations and Inuit Community Health Representatives and other front-line workers in Aboriginal communities.

Organisation nationale des représentants Indiens et Inuit en santé communautaire (ONRIISC)

B.P. 1019

Kahnawake QC J0L 1B0

Téléphone : (450) 632-0892 Télécopieur : (450) 632-2111

Courrier électronique : niichro@niichro.com Site Web : <http://www.niichro.com>

Services: Grâce à une subvention du Fonds d'aide aux projets stratégiques pour le SAF et les EAF de l'Agence de santé publique du Canada, l'ONRIISC a élaboré et mis en oeuvre un modèle de « formation du formateur », dans les deux langues officielles, qui s'adresse aux représentants en santé communautaire des Premières nations et des Inuits ainsi qu'aux autres intervenants de première ligne dans les communautés autochtones.

Pauktuutit

Ms. Jennifer Dickson, Executive Director

Inuit Women of Canada

131 Bank St., 3rd Flr.

Ottawa ON K1P 5N7

Tel: (613) 238-3977; 1-800-667-0749 (toll free in Canada) Fax: (613) 238-1787

E-mail: info@pauktuutit.ca Web Site: <http://www.pauktuutit.ca>

Services: Pauktuutit develops resources and provides educational awareness on FASD for Inuit communities.

SAFERA (Syndrome d'Alcoolisation Foetale Effets Relatifs à l'Alcool)

Mme Louise Loubier-Morin, Présidente

845, chemin du Bord de l'eau

St-Henri QC G0R 3E0

Téléphone : (418) 882-2488; 1-866-272-3372 (sans frais au Canada) Télécopieur : (418) 882-6373

Courrier électronique : info@safera.qc.ca Site Web : <http://www.safera.qc.ca>

Services: SAFERA est un organisme canadien oeuvrant en français dont la mission est la prévention, l'information et la formation sur les effets de l'exposition prénatale à l'alcool, le SAF/EAF, et accessoirement sur les effets de l'exposition aux solvants et autres drogues. SAFERA a conçu et distribue des affiches, des dépliants et autres documents sur le SAF, publie le SAFville Express, un bulletin trimestriel, et offre l'accès par son site Internet à une liste de discussion électronique, SAF-fil. Financé par le Fonds d'aide aux projets stratégiques pour le SAF/EAF, SAFERA s'occupe d'un projet <<La boîte à outils (Prévention SAF)>>, en partenariat avec PACE/PCNP pour créer une site web interactif, un vidéo francophone pour les parents et une collection de ressources accessibles.

SAFmonde Canada

Bonnie Buxton

Brian Philcox, Fondateurs

1509, ch Scarborough Golf Club

Toronto ON M1J 3G8

Téléphone : (416) 264-8000 (Brian); (416) 264-8111 (Bonnie) Télécopieur : (416) 264-8222

Courrier électronique : fasworldcanada@rogers.com Site Web : <http://www.fasworld.com>

Services: SAFmonde Canada est un organisme proactif sans but lucratif qui s'efforce de réduire de façon marquée l'incidence du syndrome d'alcoolisme foetal et les effets liées à l'alcool, l'incidence des incapacités secondaires chez les personnes vivant avec des déficiences mentales ou physiques causées par la consommation d'alcool pendant la grossesse et de venir en aide aux familles et aux fournisseurs de soins des personnes atteintes du syndrome d'alcoolisme foetal et les effets liées à l'alcool. FASworld Canada travaille de concert avec les unités de santé, les groupes de soutien de la famille et autres organismes intéressés qui constituent le réseau des chapitres au sein des collectivités à l'échelle du pays. Les particuliers et des groupes sont invités à présenter une demande d'adhésion pour obtenir le statut de membre ou de chapitre.

National Services / Services nationaux

Service d'information et de consultation sur L' ETCAF

Centre canadien de lutte contre l'alcoolisme et les toxicomanies (CCLAT)

300 - 75, rue Albert

Ottawa ON K1P 5E7

Téléphone : 1-800-559-4514 (sans frais au Canada);(613) 235-4048, poste 223 Télécopieur : (613) 235-8101

Courrier électronique : fas@ccsa.ca Site Web :

<http://www.ccsa.ca/CCSA/FR/Topics/Populations/FASD.htm>

Services: Le Service compte par ailleurs un Bureau des renseignements, auquel est affectée une spécialiste bilingue de l'information, que l'on peut contacter de partout au Canada, soit par la ligne téléphonique sans frais, par télécopieur, par courrier électronique ou par la poste. Depuis avril 2003, la Base de données nationale sur des ressources ayant trait à l'ETCAF et à la consommation d'alcool et de drogues pendant la grossesse est disponible. Financé par le Fonds d'aide aux projets stratégiques pour le SAF/EAF, il s'agit d'une base de données sur des ressources documentaires canadiennes, c'est-à-dire des ressources rédigées, produites ou publiées au Canada ou avec un contenu canadien qui ont toutefois été publiées à l'extérieur du pays et qu'il est actuellement possible de commander ou d'acheter auprès de l'organisation responsable. Consultez la base de données à l'adresse : <http://www.cclat.ca/saf>.

Alberta

Accredited Supportive Living Society (ASLS) - FASD Program

Ms. Karissa Schuler, FASD Program Coordinator

Box 680

5012 54th Avenue

Grimshaw AB T0H 1W0

E-mail: darren.joslin@gov.ab.ca

Services: Provides funding for regional and demonstration projects, awareness and prevention initiatives and leveraging the strength of partnerships. Projects may include assessment, diagnosis, individual supports, funding family/caregiver supports, training and education and best practice development.

Allin Clinic

Dr. Ben Malinowski, Pediatrician

10155 - 120 Street

Edmonton AB T5K 2A2

Tel: (780) 482-7551 Fax: (780) 488-2056

E-mail: bmalinowski@theallinclinic.com

Services: Dr. Malinowski deals in general pediatrics and does assessments and referrals for FAS as necessary.

Aventa Addiction Treatment for Women

Ms. Katerina Renny, Program Director

610 - 25 Avenue SW

Calgary AB T2S 0L6

Tel: (403) 245-9050 Fax: (403) 245-9485

E-mail: info@aventa.org Web Site: <http://www.aventa.org>

Services: Aventa offers drug, alcohol, nicotine and gambling addiction treatment on a short-term, long-term, residential and outpatient basis exclusively to women. To help prevent FASD and the negative effects of substance use, Aventa provides priority access to treatment for pregnant using women. Aventa works in partnership with Alberta Alcohol and Drug Abuse Commission and Alberta Children's Services to meet the needs of women with issues of substance use.

Best Beginning

Ms. Karen McGeary, Manager

Calgary Health Region

#214, 906 - 8th Avenue SW

Calgary AB T2P 1H8

Tel: (403) 228-8221 Fax: (403) 261-5951

Services: Best Beginning is a targeted Calgary Regional Health program for pregnant women and teens with financial, social and health concerns. Nurses, Nutritionists, and Outreach Workers provide individual health and nutrition counselling, peer support and referrals. Group drop-ins provide opportunities for pregnant women to meet other women and get the information they need to make healthy choices during their pregnancy. Instrumental support in the form of food and milk is available based on need. All services are free and confidential.

Big Country Outreach Program

Ms. Kate Heptonstall, Program Coordinator

David Thompson Health Region

P.O. Box 2547

351 - 9th Street NW

Drumheller AB T0J 0Y0

Tel: (403) 820-7260 Fax: (403) 823-2446

E-mail: kheptonstall@dthr.ab.ca

Services: This program offers a multidisciplinary team providing assessment, treatment/ intervention and consultation services for children with special needs. Children from birth to 14 years of age with suspected or actual developmental delay or learning difficulties in at least two of the following areas: fine or gross motor skills; self-help skills; cognitive development; speech-language development, social-emotional development or academic achievement are served. At least one of the two therapies required must be from the health services of either Speech-Language, Occupational Therapy or Physiotherapy. There are no fees and visits to children may occur in the family home, the child's school, daycare or local community hospital. Referrals must be made by a physician.

Alberta

Bridges

Ms. Lauren Fourrier, Executive Director

477 - 3 Street SE

Medicine Hat AB T1A 0G8

Tel: (403) 526-7473 Fax: (403) 504-2459

E-mail: lfourrier.bridges@memlane.com

Services: Bridges provides personal support, information and family service planning to families with children under the age of 18, who reside in the Southeast Alberta Child and Family Services Authority (Region 2). The goal of the Bridges program is to increase the awareness and understanding of services available in the community and to increase the independence of families through early intervention as they seek to meet their needs. A comprehensive directory of services is available in print form and on the Internet. The Association for Parents of the Handicapped, which is the managing body for Bridges, is one of the host agencies for Healthy Start, Building Blocks and Best Babies. These Home Visitation programs are offered through the Southeast Alberta Home Visitation Partnership Group and offer support and information for parents of preschool children facing challenges. Parents of children with FASD are supported through these programs with information specific to their needs. Best Babies also offers prenatal nutritional support which continues through to nursing mothers. The Association continues to offer a six or seven week summer recreation program for children with special needs.

Calgary Fetal Alcohol Network Committee

Ms. Carole Parder, Service Coordinator

Enhanced Services for Women Adult Counselling and Prevention Services

1177 - 11 Avenue SW, 2nd Flr.

#206, 909 - 3 Avenue North

Lethbridge AB T1H 0H5

Tel: (403) 320-8888 Fax: (403) 320-8878

E-mail: home@familyties.ca Web Site: <http://www.familyties.ca>

Services: Provides Family Preservation, Youth Mentorship, Family Group Conferencing, Developmental and Behavioural Services to individual youth, children and families at risk in the communities of Southern Alberta. Provides a full continuum of service to FAS/E (and non-FAS/E) children and families.

FAS Association

Ms. Florence McIntyre Palmer, Coordinator

603 Mariposa Place NE

Calgary AB T2E 5V9

Tel: (403) 276-1577

E-mail: florenceroberta@shaw.ca

Services: This is an FAS support group, for parents and professionals, providing information on a wide range of concerns and questions on FAS/FAE. The Association has produced a book entitled 'Two Sides of the Coin'. The cost of this book is \$15.00 and can be requested by email.

FAS Consultant

Ms. Marilyn Frye, Parent/Mentor

Box 3533

Wainwright AB T9W 1T5

Tel: (780) 842-2802; 1-866-842-5585 (toll-free in Alberta) Fax: (780) 842-5987

E-mail: mfrye@telusplanet.net

Services: Consults with communities and families and promotes awareness through workshops and discussion of solutions in response to Fetal Alcohol Spectrum Disorder; supports and creates parent support groups to build a network for families to access. Marilyn has presented at many conferences and workshops across the country.

FAS/FAE and Related Birth Disorders Support Group

Lethbridge AB

Tel: Pat: (403) 327-1147; Mary: (403) 381-4640; Jackie: (403) 327-7429

Services: This group provides telephone support to parents of children affected by prenatal exposure to drugs or alcohol and provides advice and suggestions on starting a support group.

DBA Works for FASD Support

Linda Simser, Consultant

Site 13, Box 27, R.R. #2

Cochrane, AB T4C1A2

Tel: (403) 510-0125 Fax: (403) 932-6178

Email: dbaworks@telus.net

Services: DBA Works provides experienced, qualified support for foster, biological, adoptive and kinship families caring for diagnosed fetal alcohol-affected members. Personalized and individualized services include in-home consultations for diagnostic interpretations, behavioural strategies and available resources for family members/caregivers. Assistance with school or legal needs and community/recreational programs is available on a cost recovery basis.

FAS-T: A National Training Program

Ms. Dianna Souveny, Training Coordinator

Dynamic Networks Psychological Services

79 Hill Cres.

Red Deer AB T4N 6G3

Tel: (403) 343-8876 Fax: (403) 343-8675

E-mail: dynamicnetworks@shaw.ca

Services: FAS-T provides a variety of training programs to meet the needs of agencies and organizations -
- from 2 hour seminars to 3 day intensive participant-oriented training. Training is based on
best practice principles and the most up to date information.

FASD Community Outreach Project

Ms. Jennifer Thiessen, FASD Outreach Worker

McMann Youth, Family and Community Services Association

P.O. Box 1645

4832 - 49 Street

Rocky Mountain House AB T4T 1B5

Tel: (403) 845-4531 Fax: (403) 845-5781

E-mail: rmhfasd@mcman.ca

Services: Offers family support, advocacy information, service links, life skills and case management for
children and adults with FASD and their families.

FASD Coordinating Committee, Region 1

Ms. Hazel Mitchell, Program Administrator

Lethbridge Community College

3000 College Dr. South

Lethbridge AB T1K 1L6

Tel: (403) 329-7200 Fax: (403) 317-3542

E-mail: hazel.mitchell@lethbridgecollege.ab.ca

Services: The Committee was established in the city of Lethbridge in 1991. It identifies community needs
and assists with coordination of FASD efforts in the areas of prevention, resource development,
support to FASD individuals and their caregivers, and public and professional education and
undertakes activities within the community to support the provincial plan for the prevention,
intervention and care of individuals and families affected by FASD.

FASD Employability Specialist - Edmonton Region

Mr. Brian Mader

Alberta Human Resources and Employment Canada Alberta Service Centre South

6325 Gateway Boulevard

Edmonton AB T6H 5H6

Tel: (780) 644-2847 Fax: (780) 422-1451

E-mail: brian.mader@gov.ab.ca

Services: Offers income support, career and employability/vocational rehabilitational assistance to youth
and adults. Individuals with FASD can be referred for assistance in all areas. Occasionally
clients may be referred for psychological assessment in order to determine employment and
training options.

FASD Support Program, Region 4

Mrs. Sole Garcia, Program Manager

Catholic Social Services

5206 - 51 Avenue

Wetaskiwin AB T9A 0V4

Tel: (780) 352-5535 Fax: (780) 352-3190

E-mail: sole.garcia@catholicsocialservices.ab.ca Web Site: <http://www.catholicsocialservices.ab.ca>

Services: Transition Support Workers provide support and intervention to affected clients and families in the form of referral to community resources, education, behavioural strategies, and intervention at school and work.

FASS - Fetal Alcohol Support Society

Thelma Vincent

Grande Prairie AB

Tel: (780) 814-7624

E-mail: thelmant@telusplanet.net

Services: The objectives of FASS are to promote and facilitate education, prevention, intervention, diagnosis and/or assessment, care and supports from birth to death of persons affected by Fetal Alcohol; to promote and facilitate support groups for caregivers and those persons who may be affected by Fetal Alcohol; and to provide necessary equipment materials, space, furniture and personnel to carry out the objectives of the Society. Support meetings are held the 2nd and 4th Thursday of each month, at 7:30 p.m. at the Schubert Building (ASLS boardroom) in Grande Prairie. For support, you may also contact Lorraine: 532-3726 or John & Sharon: 539-5651.

Fetal Alcohol Spectrum Disorder Diagnostic Clinic

Ms. Shirley Wormsbecker, Coordinator

Alberta Children's Hospital

1820 Richmond Rd. SW

Calgary AB T2T 5C7

Tel: (403) 943-7231 Fax: (403) 943-7214

E-mail: shirley.wormsbecker@calgaryhealthregion.ca

Services: The FASD Diagnostic Clinic provides a multidisciplinary team assessment and diagnosis for children, infancy to 18 years, who have confirmed prenatal alcohol exposure. The clinic uses the FAS-DPN (University of Washington) model to assess the children. The clinic will make recommendations and facilitate the child's access to appropriate community-based intervention programs.

Glenrose Rehabilitation Hospital - FASD Clinical Services

Dr. Gail Andrew, Medical Director

Gail Schuller, Coordinator

10230 - 111 Avenue

Edmonton AB T5G 0B7

Tel: (780) 735-7999, Ext. 2328 Fax: (780) 735-6077

E-mail: gandrew@cha.ab.ca; gschulle@cha.ab.ca

Services: A multidisciplinary team provides assessment and diagnostic services to children using the DPN (Diagnostic Prevention Network) model of assessment. Recommendations are provided to the caregivers and involved agencies. Information and training workshops are also offered to increase community capacity. FASD Clinical Services is involved in a number of research projects.

Alberta

Hobbema Indian Health Services Centre

Ms. Marilyn Yellowbird-Rowan, Health Promotion Facilitator

Family Wellness Centre

P.O. Box 570

Hobbema AB T0C 1N0

Tel: (780) 585-2219 Fax: (780) 585-2665

E-mail: myb_rowan@hotmail.com

Services: In the area of FAS and FAE the Centre does community workshops for interested groups including parents, teachers, community groups, etc. The workshops cover the basics of FAS/FAE, describe case studies, and provide other information depending on group needs. The Centre has a library of resources on FAS/FAE.

Joining Forces - Fetal Alcohol Society

#210, 223 - 12 Avenue SW

Calgary AB T2R 0G9

Tel: (403) 202-7233 Fax: (403) 202-7254

E-mail: jffas@telusplanet.net Web Site: <http://www.joiningforces-fas.com>

Services: This is a non-profit charitable society formed to enhance the well-being of individuals and families affected by fetal alcohol. Caregiver support meetings are held every second and fourth Thursday of each month from 7:00 to 9:00 p.m. There are eight FASD information sessions throughout the year held the last Wednesday of the month on various subjects related to FASD. Resources and information on FASD are available.

Lakeland Centre for Fetal Alcohol Spectrum Disorder

Ms. Audrey McFarlane, Executive Director

Box 479

Cold Lake AB T9M 1P1

Tel: 1-877-594-5454 (Toll free in Canada); (780) 594-9905 Fax: (780) 594-9907

E-mail: kmfascen@telusplanet.net Web Site: <http://www.lakelandfas.com>

Services: The Centre coordinates and undertakes activities to increase awareness of and to prevent FASD. Multi-disciplinary, mobile diagnostic teams provide diagnosis, assessment, and intervention for children and adults throughout the region. Training is available about FASD and best practices for professionals and paraprofessionals. The Mothers-to-be Mentorship Program provides intensive mentoring and support to high risk pregnant women, assisting them to achieve and maintain sobriety in order to prevent an FASD birth.

Alberta

Lawryk Consulting (Calgary)

Ms. Liz Lawryk

P.O. Box 1289

Bragg Creek AB T0L 0K0

Tel: (403) 949-3991 Fax: (403) 949-4051

E-mail: lzlawryk@telus.net

Services: Lawryk Consulting offers OBD (Organic Brain Dysfunction) Triage Assessments (medical prescreening) for children, youth & adults as well as OBD Diagnostic Interpretation of Abilities Sessions ©. These sessions give a defined, detailed explanation of the individual's specific disability as a direct result of prenatal alcohol exposure and identification of the cognitive deficits that often translate to behaviors. Once these issues are acknowledged, prevention strategies and intervention techniques are designed in order to focus on strengths and create success in all areas of the life course. The goals are to assist families, courts, social service and community agencies in developing appropriate planning strategies within the home or residential environment, academic/vocational settings and recreational activities. Ms. Lawryk (BSW MSc. H.S. RSW) has been qualified as an expert (FASD) in Alberta family, youth and adult courts and also presents workshops in specialized areas of interest.

Learning and Teaching Resources Branch

Ms. Catherine Walker, Resource Manager

Alberta Education

Lethbridge Family Services, DaCapo

Brenda Cannady

1107 - 2nd Avenue A North

Lethbridge AB T1H 0E6

Tel: (403) 320-9119 Fax: (403) 329-4924

E-mail: bcannady@lethbridge-family-services.com Web Site: <http://www.lethbridge-family-services.com>

Services: The agency provides residential, day program and/or vocational services for FASD individuals which focus on stability, structure, routine and long-term placements. Telephone support is available to individuals requiring information about FASD.

Lloydminster Early Intervention

Ms. Sherri Husch Foote, Executive Director

#101, 5101 - 48 Street

Lloydminster AB T9V 0H9

Tel: (780) 875-5347 Fax: (780) 875-4354

E-mail: lloydei@telus.net

Services: Lloydminster Early Intervention provides service to families of children, with or at risk for developmental delays including those with FASD. Lloydminster Early Intervention offers service through home visits and family networking activities. New programs include playgroups, information and referral and service coordination.

Mental Health Services

David Thompson Health Region

4733 - 49th Street

Red Deer AB T4N 1T6

Tel: Main: (403) 340-5466; Admin: (403) 340-5041 Fax: Main: (403) 340-4874; Admin: (403) 340-5217

Services: David Thompson Health Region, Mental Health Services provides assessment and treatment for children from birth to 18 years of age who are experiencing moderate to severe emotional problems. While services are not specifically targeted for children experiencing the effects of FAS, some of the children served fall into the diagnostic category of FAS or other prenatal alcohol-related effects. Services are available in various communities throughout the David Thompson Health Region.

Misericordia Child Health Clinic

16940 - 87th Avenue

Edmonton AB T5R 4H5

Tel: (780) 930-5613 Fax: (780) 930-5794

Services: Through referral from a family physician, the Centre will perform neurodevelopmental assessments for children for an FAS diagnosis.

Northern Association for FASD

Ms. Charlene McLay, FASD Program Coordinator

Box 3334

High Prairie AB T0G 1E0

Tel: (780) 523-2715 Fax: (780) 523-4117

E-mail: cmclay@telusplanet.net

Services: Provides information, support and diagnostic services on FASD in the community.

Northwest Regional FASD Society

Ms. Colleen Burns, Diagnostic Team Coordinator

Box 3668

High Level AB T0H 1Z0

Tel: (780) 926-2218 Fax: (790) 296-2373

E-mail: cgburns@telus.net

Services: Uses a multi-disciplinary team and follows national guidelines to provide a local FASD assessment and diagnostic clinic. Provides education, awareness and prevention presentations to remote regional communities, workshops and targeted projects to increase awareness and reduce the incidence of FASD within the Northwest region of Alberta.

OBD (Organic Brain Dysfunction) Triage Institute (Calgary)

P.O. Box 1289

Bragg Creek AB T0L 0K0

Tel: (403) 949-3991 Fax: (403) 949-4051

E-mail: lzlwayk@telus.net Web Site: <http://www.obdtrriage.com>

Services: The OBD Triage Institute provides training & certification to clinical professionals in the use of the OBD (Organic Brain Dysfunction) Triage Assessment Model: A Screening Instrument for use in the Evaluation of Teratogenic Effects on Embryonic Development ©1998-2003. The instrument is utilized in identifying potentially affected children, youth and adults for medical evaluation and diagnosis. The model investigates genetic load factors, maternal nutritional and health status, obstetrical history and other teratogenic possibilities that may compromise fetal development with outcomes forwarded to the diagnostic physician/clinic for further analysis and evaluation. The Physician's Checklist contains approximately 243 physiological anomalies and a precise chronological record including social, medical, cognitive and persistent behavioral issues. It is designed to collect Canadian and global data (statistics) available for further research, policy planning and prevention strategies.

P-CAP (Parent-Child Assistance Program)

Ms. Pam van Vugt, Program Supervisor

McMan Youth, Family and Community Services

Bay 5

6208 Rundlehorn Dr. NE

Calgary AB T1Y 2X1

Tel: (403) 590-3285 Fax: (403) 280-6339

E-mail: pam.vanvugt@mcman.ca

Services: P-CAP provides long term support (3 years) to high risk women in the community who are pregnant or who have recently had a child and acknowledge drug and/or alcohol use during their pregnancy. This is a prevention program with the long term goal of preventing the birth of other children affected by FASD.

Alberta

Parent Talk

Ms. Shauna Murray, Youth and Family Services Worker

Boys' & Girls' Clubs of Edmonton

16030 - 104 Avenue

Edmonton AB T5P 0S3

Tel: (780) 481-1294 Fax: (780) 484-4292

E-mail: smurray@bgce.ca

Services: Parent Talk provides parents with support, skill development and the resources needed to deal effectively with issues and conflicts that arise in their families. It is a facilitator guided, self-help, peer support program addressing family conflict in the areas of crisis management, prevention and maintenance. In Edmonton, the Adoptive & Foster Parents of Children & Youth with FASD support group is available for parents dealing with a child with FASD.

Parkland Community Living and Supports Society

Ms. Shauna Rae Mayes, Manager, Children's Services

OR Glenda Harmes, RSO, Supported Home Placement Coordinator

6010 - 45 Avenue

Red Deer AB T4N 3M4

Tel: (403) 347-3333 Fax: (403) 342-2677

E-mail: smayes@pclass.org

Services: The 'Family Support Program' offers in-home assistance for families in managing their child's developmental disabilities. The focus of the program is to provide the family with support staff, in-home parental relief, community involvement activities and the development of in-home intervention strategies. The 'Supported Home Placement Program' allows consumers to live in the home of an individual caregiver or family. The focus of the program is to provide support, supervision, training and structure, in a positive home environment.

Pediatric Consultants Associated

#182, 5201 - 43rd Street

Red Deer AB T4N 1C7

Tel: (403) 343-6404 Fax: (403) 343-6215

Services: The consultants provide investigations, assessment and treatment for children from birth to 18 years of age with FAS and a variety of developmental disabilities. A referral from a physician is required.

Pediatric Rehabilitation and Outreach Services

Ms. Kerry McKinnon, RSW, Intake Resource Coordinator - Pediatric Rehabilitation Program

Ms. Sandra Daniel, RSW, Intake Resource Coordinator - Student Health Outreach Services

49th Street Community Health Centre

Red Deer AB T4N 1T6

Tel: (403) 314-5240 Fax: (403) 314-5230

E-mail: kmckinnon@dthr.ab.ca; sdaniel@dthr.ab.ca

Services: The Pediatric Rehabilitation Program offers assessment, treatment, and home programs for children with special needs. It includes occupational therapy, physical therapy, speech language therapy, and feeding consultation. The program can be accessed by a physician's referral, and is open for children from birth to 16 years of age who reside in central Alberta. Student Health Outreach Services offers short-term assessment and consultation services to schools. It includes psychology, nursing, occupational therapy, and physical therapy. Referrals are received from schools to address students' health issues which limit their ability to function in the school setting. The program is available to registered students up to and including grade 12.

Physician

Dr. L. Storoz, Pediatrician

The Campbell Clinic

430 Mayor Magrath Dr.

Lethbridge AB T1K 3E9

Tel: (403) 328-8101 Fax: (403) 328-8150

E-mail: babydoc99@shaw.ca

Services: Dr. Storoz provides diagnosis, some treatment, and referrals as necessary. She sees children from birth to age 16. A referral (in the form of a letter which provides background information) from a family physician is required for non-social services patients. Alberta Child and Family Services may refer directly but the appointment must be authorized by the social worker.

Physician/Psychiatrist

Dr. Kieran D. O'Malley

#200, 2003 - 14th Street NW

Calgary AB T2M 3N4

Tel: (403) 289-0388 Fax: (403) 255-4406

E-mail: kieranom@shaw.ca; kieranom@u.washington.edu

Services: Dr. O'Malley has a special interest in FASD (fetal alcohol spectrum disorders) and psychiatric disorders of children and adolescents and is involved with the Fetal Alcohol and Drug Unit in Seattle and the FASD community; teaches and does research on FASD with the University of Washington Department of Psychiatry and Behavioral Sciences; offers psychiatric consultation to patients previously diagnosed with FASD and has a community psychiatry consultation practice in Calgary dealing with Fetal Alcohol Spectrum Disorder and Autistic Spectrum Disorder patients (children, adolescents and young adults).

SKILLS Society

203 Parkington Plaza

10408 - 124 Street

Edmonton AB T5N 1R5

Tel: (780) 496-9686 Fax: (780) 482-6395

E-mail: admin@skillsedm.com Web Site: <http://www.skillsedm.com>

Services: SKILLS maintains the following Programs: 1. Residential - provides residential support for persons with developmental disabilities; 2. Outreach - provides independent living skills training and support to adults (18 years of age and over); 3. Woodcroft Relief Home - provides out-of-home respite to families with children under the age of 18 who have a disability; 4. Family Support Services - provides in-home respite to families with children under the age of 18 who have a disability; 5. Host Family - provides relief to families with children who have medical needs or children and adults who exhibit challenging behaviors and have a developmental disability; 6. Associate Family - fosters a shared care model between the natural and associate family for children who are deemed medically fragile or severely developmentally delayed; 7. Adult Respite Services - provides in home and out of home respite to adults with developmental disability; 8. Community support (for individuals with brain injury).

Teaching & Independent Parenting Support Program (TIPS)

Camrose Association for Community Living

4604 - 57th Street

Camrose AB T4V 2E7

Tel: (780) 672-0257 Fax: (780) 672-7484

E-mail: ahillaby@cafcl.org

Services: TIPS provides prenatal support and counselling regarding healthy lifestyle and proper nutrition and parenting strategies for families with children up to age 6.

Well Community - Well Families

Ms. Beverly Allard, Program Manager

Bissell Centre

10527 - 96 Street

Edmonton AB T5H 2H6

Tel: (780) 423-2285, ext 132 Fax: (780) 425-6594

E-mail: ballard@bissellcentre.org Web Site: <http://www.bissellcentre.org>

Services: Well Community - Well Families is a multi-level community development program aimed at building the capacity of Edmonton communities to support healthy pregnancies and families. Through the provision of intensive long-term support and advocacy, women at risk of having a child with Fetal Alcohol Spectrum Disorder (FASD) and adults affected by FASD are supported to overcome barriers affecting their ability to live successfully in the community. For information about the Success By 6® program, contact Stephanie Jones, (780) 474-9393.

Alberta

Wholistic Family Legacy Foundation of Canada

Ms. Renae Richards, President

1027 Ross Street SE

Medicine Hat AB T1A 0Y2

Tel: (403) 581-0406

E-mail: renae_r@telus.net

Services: Workshops are given on the basics of FASD and FASD adult case management.

WJS Alberta

Ms. Ann Nicol, Vice-President

#218, 10509 - 81st Avenue

Edmonton AB T6E 1X7

Tel: (780) 439-5087 Fax: (780) 431-2196

E-mail: anicol@wjsgroup.com

Services: WJS Alberta provides services to individuals with developmental disabilities, including individuals with FAS in both residential and outreach programs in Alberta. Also available are assessment and program design services. Contact Corinne Kapler, Executive Assistant for general information or for programs and services in specific areas of Alberta, Tel: (780) 439-5087; Brenda Williamson, Northwest Alberta, Tel: (780) 532-5246, bwilliamson@wjsgroup.com or Aaron Hachkowski, Slave Lake and area, Tel: (780) 349-5111, ahachkowski@wjsgroup.com.

YWCA of Edmonton - Family Services for Children with Disabilities

Ms. Gillian Cameron, Manager

Main Floor

10242 - 105 Street

Edmonton AB T5J 3L5

Tel: (780) 423-9922, Ext 289 Fax: (780) 425-7467

E-mail: gillian.cameron@ywcaofedmonton.org

Services: A variety of services are provided for families supporting a child with disabilities. Children's programs include In Home Respite, Host Family Respite, Enhanced Respite, Family Consultation and Support Network, and Extended Host Family.

Adoption Support Program

Ms. Carol Hale, Social Worker

Queen Alexandra Centre Vancouver Island Health Authority

2400 Arbutus Rd.

Victoria BC V8N 1V7

Tel: (250) 721-6798 Fax: (250) 721-6837

E-mail: carol.hale@caphealth.org

Services: The Program provides education and support for adoptive parents, some who are parenting children with FASD.

Adoptive Families Association of BC

200 7342 Winston St.

Burnaby BC V5A 2H1

Tel: (604) 320-7330; BC's Waiting Child Infoline: 1-877-236-7807 Fax: (604) 320-7350

E-mail: info@bcadoption.com Web Site: <http://www.bcadoption.com>

Services: The Association provides pre- and post-adoption support and information services to families, including those who have adopted or are considering adopting children with FASD or other special needs and offers regular workshops and parent support groups. An Adoption Resource Centre is maintained which includes a bookstore, website and an extensive library with some of the most up-to-date books, video and audio tapes, periodicals from around the world and information on FASD and other special needs issues. A magazine entitled FOCUS on Adoption is published six times per year.

Alcohol-Drug Education Service

Ms. Judi Lalonde, Executive Director

102 - 1585 Broadway Street

Port Coquitlam BC V3C 2M7

Tel: (604) 944-4155 Fax: (604) 944-4149

E-mail: info@ades.bc.ca Web Site: <http://www.ades.bc.ca>

Services: Founded in 1952, Alcohol-Drug Education Service is a registered, non-profit agency operating towards the prevention of substance abuse and related issues. As a leading voice in prevention throughout British Columbia, Alcohol-Drug Education Service provides prevention programs for elementary and secondary schools, post-secondary students, parents, ethnic groups, teachers, school liaison officers, police, nurses, social workers and other professionals. The agency's mandate is to promote healthy lifestyles by helping parents, teachers, allied professionals, and community leaders to equip young people with the knowledge, skills and attitudes to make healthy and informed decisions around alcohol and other drug use.

The Asante Centre for Fetal Alcohol Syndrome

Ms. Audrey Salahub, Coordinator

K.O. Asante, MSM, BSc, MBChB, FRCPC, DABP, Medical Director

103 - 22356 McIntosh Ave.

Maple Ridge BC V2X 3C1

Tel: (604) 467-7101; 1-866-327-7101 (toll free in Canada) Fax: (604) 467-7102

E-mail: info@asantecentre.org Web Site: <http://www.asantecentre.org>

Services: The Asante Centre for Fetal Alcohol Syndrome, governed by the Greater Vancouver Fetal Alcohol Society is a family centred facility that provides: diagnostic and assessment services based on a multidisciplinary team approach, for children, youth and adults affected by FAS; coordinated care plans by working in partnerships with families and recognizing the value of their experience in understanding and planning their child's or adult's future; addresses issues concerning medical, school, home and lifestyle management; family support services before, during and after diagnosis; unique on site diagnostic and assessment training, consultation and observation for professionals and paraprofessionals; educational and prevention awareness workshops; networking and planning with community partners in preparing and assisting them to support those affected by prenatal alcohol exposure.

B.C. Aboriginal Network on Disability Society (BCANDS)

Mr. Robert Harry, Executive Director

Health Resource Centre

1179 Kosapsum Cres.

Victoria BC V9A 7K7

Tel: (250) 381-7303; 1-888-815-5511 (toll free in Canada) Fax: (250) 381-7312

E-mail: info@bcands.bc.ca Web Site: <http://www.bcands.bc.ca>

Services: BCANDS manages a Resource Centre which provides information on a variety of health issues, with FAS/FAE being one of the priorities. BCANDS works closely with federal and provincial agencies on a number of projects and manages the community FAS/FAE projects for First Nations and Inuit Health Branch. An information kit is available for purchase which includes the Little Fox Book Series and videos, an aboriginal resource guide, a guide for caregivers and other materials.

B.C. Association for Mental Health in Developmental Disability (BC AMHiDD)

Mr. Randy James

2682 Paula Rd.

Kelowna BC V1Z 3L7

Tel: (250) 860-5183 Fax: (250) 860-9146

E-mail: bcamhidd@shaw.ca

Services: The role of the BC AMHiDD is to provide an avenue of support for those living with a developmental disability and a mental health issue as well as the facilitation of effective intervention strategies. The organization seeks to minimize barriers and obstacles which may otherwise hinder the effectiveness of mental health services for this population. The association encourages effective networking, education, access, and advocacy specific to mental health related issues for individuals with developmental disabilities, and for the families, caregivers and professionals who provide support. The organization provides an open platform for exchange of ideas and resources, promoting the best current practices in mental health. The organization supports a holistic view of mental health care and the need for consumers to be able to have ownership of their mental health.

British Columbia / Colombie-Britannique

B.C. FAS Resource Society

Dr. Julianne Conry, Chair

P.O. Box 525

Maple Ridge BC V2X 3P2

Services: The Society facilitates the development and dissemination of information and research, support and services for families, professionals and the broader community around prevention, intervention and treatment issues relating to FAS/FAE and other disabilities caused by alcohol and drug use during pregnancy.

BC Aboriginal Child Care Society (ACCS)

708 - 100 Park Royal

West Vancouver BC V7T 1A2

Tel: (604) 913-9128 Fax: (604) 913-9129

E-mail: mary@acc-society.bc.ca Web Site: <http://www.acc-society.bc.ca>

Services: ACCS has developed several resources to help Aboriginal caregivers and community members deepen their understanding of the prevention, causes and effects of Fetal Alcohol Spectrum Disorder.

British Columbia Association of Pregnancy Outreach Programs

Ms. Pat Chisolm, President

P.O. Box 482

Cranbrook BC V1C 4J1

Tel: (250) 489-5011

E-mail: bcapop@hotmail.com Web Site: <http://www.bcapop.ca>

Services: Pregnancy Outreach Programs (POP) are free prenatal nutrition programs that offer assistance to women throughout their pregnancy and postpartum. The programs are on a self-referral basis. Prenatal vitamins and minerals, food supplements or coupons are provided free of charge and there are opportunities to meet other pregnant women, for resource sharing, food security projects, information and support for healthy life choices. POP support the Harm Reduction Model and strive to be involved on a community level in imitating community projects through input from participant advisory groups in each of the programs. There are over 40 programs working in different communities through the province.

Bulkley Valley Child Development Centre

Ms. Charlene Johnson, Executive Director

P.O. Box 995

Smithers BC V0J 2N0

Tel: (250) 847-4122 Fax: (250) 847-9338

E-mail: reception@bvcdc.ca

Services: The Centre provides home, centre and outreach support services for children and families including occupational therapy, physiotherapy, infant development program, family support services, school-based therapy program, and child care programs.

British Columbia / Colombie-Britannique

Bulkley Valley FAS Prevention Committee

Ms. Cheryl Wickson

Box 2920

Smithers BC V0J 2N0

Tel: (250) 847-8959 Fax: (250) 847-8974

E-mail: cherwick@hotmail.com

Services: This community-based Committee is involved in FAS awareness and prevention projects, advocacy, support, information provision and resource development.

Campbell River FAS/E Community Action Network

Ms. Mary Catherine Bellamy, Chairperson

Upper Island Central Coast Community Health Services Society

200 - 1100 Island Highway

Campbell River BC V9W 8C6

Tel: (250) 286-0955 Fax: (250) 287-2822

E-mail: sunrise@crn.net

Services: This is an informal multidisciplinary group of service providers that meets at regular intervals and works towards decreasing the occurrence of FAS/FAE in the community by developing effective and supportive services to families with substance abuse issues; educational support to children and teachers; effective services and programs for teens and young adults with FAS/FAE. This is done through a variety of projects, activities, educational events, and by strengthening the work of the helping agencies in the community. A community action strategy for drug and alcohol abuse prevention is being developed.

CAPC/CPNP/AHS Regional Programs, FASD Lead

Ms. Christine Liu, Program Consultant

Public Health Agency of Canada

440 - 757 West Hastings

Vancouver BC V6C 1A1

Tel: (604) 666-9971 Fax: (604) 666-8986

E-mail: christine_liu@phac-aspc.gc.ca

Services: CAPC (Community Action Program for Children), CPNP (Canada Prenatal Nutrition Program) and AHS (Aboriginal Head Start) are programs delivered through Public Health Agency of Canada regional offices. CAPC delivers services that address the developmental needs of at risk children from birth to 6 years of age. CPNP is designed to provide food supplementation, nutrition counselling, support, education, referral and counselling on lifestyle issues to pregnant women at risk. AHS initiative is a national program for Aboriginal preschool children and their families living in northern and urban communities. Programs are available throughout the province and are community based.

Cariboo Chilcotin Child Development Centre

Ms. Barb Jones, FASD Worker

Mr. Gareth Williams, School-Age Team Manager

51 (D) 4th Avenue South

Williams Lake BC V2G 1J6

Tel: (250) 305-2528 Fax: (250) 392-4456

E-mail: barb.jones@cdcwl.com; gareth.williams@cdcwl.com

Services: The FAS program focuses on prevention through education by providing community-based awareness activities, presentations, workshops, conferences, and shared resource information.

British Columbia / Colombie-Britannique

Central Okanagan Child Development Association

Mr. Mike Morrill, Executive Director

1546 Bernard Ave.

Kelowna BC V1Y 6R9

Tel: (250) 763-5100 Fax: (250) 862-8433

E-mail: sue@cocda.com

Services: The following consultative and treatment programs are offered: physiotherapy, occupational therapy, speech/language pathology, infant development program, supported child care, autism program, hippotherapy/therapeutic riding and a book/video/toy lending library are also located on site.

Children's Therapy and Family Resource Centre

Ms. Barb Regasz

801 McGill Rd.

Kamloops BC V2C 6R1

Tel: (250) 371-4100 Fax: (250) 371-4120

E-mail: tnfrs@direct.ca

Services: The Centre provides therapy to children with special needs (birth to 19) and support to their families. Services include occupational therapy, physiotherapy, speech and language therapy, supported childcare and family support. Resources include a community library and an equipment and toy lending cupboard.

Community Healing and Intervention Program (CHIP)

Ms. Elaine Gordon, KKTC Social Sector FASD Support

Kunaxa/Kinbasket Tribal Council (KKTC)

7468 Mission Rd.

Cranbrook BC V1C 7E5

Tel: (250) 489-4563 Fax: (250) 489-4585

E-mail: chip@kktc.bc.ca Web Site: <http://www.kktc.bc.ca>

Services: CHIP provides culturally sensitive, holistic support services for Aboriginal children (birth to 12 years) and Aboriginal youth (13 to 29 years) who are identified as being affected by prenatal exposure to alcohol and who reside in the East Kootenay region of British Columbia. CHIP partners with the College of the Rockies to maintain a collection of up-to-date FASD resources. CHIP resources available for purchase include a manual ("The Story of CHIP"), posters and t-shirts.

Comox Valley Child Development Association

Ms. Heather McFetridge

237 Third St.

Courtenay BC V9N 1E1

Tel: (250) 338-4288 Fax: (250) 338-9326

E-mail: info@cvcda.ca Web Site: <http://www.cvcda.ca>

Services: Programs include the Infant Development Program (0-3 years); Supported Child Development (0-12 years); Early Intervention Therapy (physio, occupational and speech-language from 0 years through school age); the Autism Project; Community Integration Program; Afterschool Programs; CLS Teams; and Offices of Provincial Advisors (Supported Child Development Program, and Children First).

British Columbia / Colombie-Britannique

Connections: Serving Adolescents and Adults with FASD

Ms. Jan Lutke, Senior FASD Consultant

Surrey BC

Fax: (604) 589-8438

E-mail: jlutke@fasdconnections.ca Web Site: <http://www.fasdconnections.ca>

Services: Offers training, consultation, planning and community development programs and other specialized services to help adolescents and adults with FASD, their families, those who provide services and others who love and care for them.

Cowichan Valley FASD Action Team Society

Ms. Ro deBree

3925 Vaux Rd.

Duncan BC V9L 6S6

Tel: (250) 748-5115

E-mail: ro@islandnet.com

Services: The Action Team coordinates prevention and awareness activities within the community, advocates with and for people with Fetal Alcohol Spectrum Disorder and their families, and provides education for professionals and support for parents. Publications available for purchase: "Jaycee", a book for families and children about a child with FAS (\$7.00); "And Have Not Love", a book of poetry written by Leon's Mom (\$7.00) and "Your Victory; a Happy Child" written by Ro deBree (\$4.00).

Cowichan Valley FASD Action Team Society -- Action for Inclusion

207 - 225 Canada Avenue

Duncan BC V9L 1T6

Tel: (250) 748-0236 Fax: (250) 748-4321

E-mail: info@cvfasd.org; jennifer.kyffin@cvfasd.org Web Site: <http://www.cvfasd.org>

Services: This is an educational project funded by the National Crime Prevention Centre to build capacity in community organizations to accommodate people living with Fetal Alcohol Spectrum Disorder. In this project, persons living with FASD work under the guidance of project staff to conduct on-site assessments of community organizations to identify the physical and social factors that impact accessibility and service provision of people with FASD. Project team members then develop and deliver in-service training modules that meet the specific needs identified in the assessment of each organization. A web site and network are being developed to share information, resources, tools and best practices.

Delta Association for Child Development

#3, 3800 - 72nd Street

Delta BC V4K 3N2

Tel: (604) 946-6622 Fax: (604) 946-6223

E-mail: info@deltachilddevelopment.org Web Site: <http://www.deltachilddevelopment.org>

Services: The Delta Association for Child Development is a non-profit society that has been providing services to children and their families in Delta since 1959. We offer a variety of services designed to meet the needs of children to ensure their optimum development. Over 1000 children and their families benefit from our services on an annual basis.

Mackenzie BC V0J 2C0

Tel: (250) 997-3090

E-mail: cdprimus@telus.net

Services: Provides support, assistance and information to parents, caregivers, teachers and others who care for or work with individuals affected by FASD.

First Nations Friendship Centre

Ms. Shelley Wintrup, FASD Community Resource Coordinator

2902 - 29 Avenue

Vernon BC V1T 1Y7

Tel: (250) 542-1247 Fax: (250) 542-3707

E-mail: fnfc@shaw.ca

Services: Provides community education and awareness of FASD and offers a resource library as well as one to one and family counselling, advocacy, prenatal nutrition, alcohol and drug, and youth outreach programs.

FOCUS Employment Program

Ms. Linda Schmidt

College of New Caledonia

Box 5000

Burns Lake BC V0J 1E0

Tel: (250) 692-1700 Fax: (250) 692-1750

E-mail: schmidt@cnc.bc.ca

Services: Focus Employment Program is a specialized program for adults affected by Fetal Alcohol Syndrome/partial Fetal Alcohol Syndrome who are interested in gaining employment. The program stresses employer and community education and awareness and utilizes alternative learning strategies designed specifically for adults with learning difficulties.

Fraser Valley Child Development Centre (FVCDC)

Ms. Karen McLean, Executive Director

102 - 32885 Ventura Ave.

Abbotsford BC V2S 6A3

Tel: (604) 852-2686 Fax: (604) 852-5794

E-mail: kmclean@fvcdc.org Web Site: <http://www.fvcdc.org>

Services: The FVCDC provides family-centred, multi-disciplinary team based services. There are two clinical teams in Abbotsford, and one each in Mission (Tel: (604) 820-9536) and Chilliwack (Tel: (604) 824-8760). An Infant Development Consultant sits on the Chilliwack team but is based in Hope (Tel: (604) 860-7731). The Upper Fraser Valley Region FVCDC provides Infant Development (0-3 years) and Early Intervention Services (3 to school age) for children with, or at risk for, disabilities. Additional programs include autism assessment (referrals via Fraser Health Autism network) and intervention services, as well as Kids-In-Action, which provides trained volunteers to support children with special needs as they participate in sports or other community based activities. Two Social Workers provide Family Support Services. Dr. L. Traverse, Paediatrician, is the Medical Director. Community Specific programs include Early Childhood Development Services in Abbotsford, providing support for children with special needs in daycare, pre-school and after-school care. In Abbotsford, a Child and Family Therapist (Early Childhood Mental Health) and a Community Education and Support Consultant work with individual families, provide parenting groups and parent training in behaviour management as well as consult to FVCDC therapists and other community clinical professionals. OT and PT services are contracted by the Mission and Abbotsford School Boards and some local private schools for school age children.

Infant Development Program of British Columbia

Ms. Dana Brynelsen, Provincial Advisor

2765 Osoyoos Cres.

Vancouver BC V6T 1X7

Tel: (604) 822-4014 Fax: (604) 822-9556

E-mail: infantdv@interchange.ubc.ca Web Site: <http://www.idpofbc.ca>

Services: Infant Development Programs (IDPs) in BC provide home visits and group experiences for families with children aged birth through three years at risk for, or living with, a developmental challenge. For families with a child with FAS or where a parent has FAS, information and support is given to the family that will promote the child's development and strengthen family capacity. Visit the website to find a listing of all IDPs in BC.

British Columbia / Colombie-Britannique

Kamloops FASD Community Awareness Program

Corrinna Rai, FASD Coordinator

E3 - 750 Cottonwood Avenue

Kamloops BC V2B 3X2

Tel: (250) 554-9486; Toll free in Canada: 1-888-554-9486 Fax: (250) 554-9487

E-mail: corrinna@imcfs.bc.ca Web Site: <http://www.imcfs.bc.ca>

Services: The Kamloops FASD Community Awareness Program strives to reduce the incidence of FASD in the Thompson – Cariboo – Shuswap and to lessen the personal, social and economic consequences for affected individuals and their families. The Kamloops FASD Community Networking Committee consists of representatives from various ministries related to children and family development, public health, education, mental health and justice, in addition to family physicians and pediatricians and any community agencies with a stake in the prevention of FASD. The Committee's main objective is to make community, government and private organizations more accessible to people with invisible disabilities. It involves learning about physical, social and institutional factors that impact accessibility for people with FASD and developing practical strategies to address them. Beyond community awareness, a FASD support group is offered to caregivers of individuals who are affected with the disability.

Kelowna and Area FASD Community Team

Ms. Pat Richardson

Okanagan FASD Initiatives

Kelowna BC

Tel: (250) 861-3934 Fax: (250) 861-3903

E-mail: patrichardson@shaw.ca

Services: As a member of the Okanagan FASD Initiatives program, the Kelowna and Area FASD Community Team is made up of representatives from community agencies and organizations as well as parents of children, youth, and adult children who have FASD. The main objectives of the team are to find opportunities to increase community awareness about the prevention of FASD, best practice interventions for individuals who have FASD, and to promote understanding and support for their families.

Maple Ridge FAS/ADD Resource Centre & Welfare Advocacy Group

Ms. Beryl Trimble, Coordinator

Maple Ridge BC

Tel: (604) 463-6750

SCOPE: Surrey Community Outreach Program for Employment

Pacific Community Resources Society

Unit 3 - 10318 East Whalley Ring Rd.

Surrey BC V3T 4H4

Tel: (604) 951-1300 Fax: (604) 951-1393

E-mail: ksarai@pcrs.ca Web Site: <http://www.pcrs.ca/>

Services: SCOPE is an outreach support program for multi-barriered individuals on Income Assistance between the ages of 16 and 60. This program assists participants in identifying and overcoming individual barriers to independence, i.e., identification documents, organizational/planning skills, educational upgrading and job training, accommodation search and set-up, self care, budgeting and financing, community involvement / social responsibility and dealing with the legal system. SCOPE offers community outreach, home visits, referrals and support within the community as well as site-based counselling.

Sheway

Ms. Monica Stokl, Coordinator

Vancouver Native Health Society

Box 101

533 East Hastings Street

Vancouver BC V6A 1P9

Tel: (604) 216-1699 Fax: (604) 216-1698

E-mail: sheway.sheway@vch.ca

Services: Sheway is a unique outreach program located in the Downtown Eastside (DTES) of Vancouver, providing holistic services to pregnant and post partum women with substance use problems, supporting them until their children reach 18 months of age. Sheway promotes the well-being of pregnant women and their families, taking into consideration the context of living in the Downtown Eastside, one of Canada's poorest neighbourhoods. Sheway uses woman-centred, harm-reduction, culturally focused approaches to providing services.

SNAP - Society of Special Needs Adoptive Parents

Mr. Brad Watson, Executive Director

101 - 2780 East Broadway

Vancouver BC V5M 1Y8

Tel: (604) 687-3114; 1-800-663-7627 (toll free in BC) Fax: (604) 687-3364

E-mail: info@snap.bc.ca Web Site: <http://www.snap.bc.ca>

Services: The Society of Special Needs Adoptive Parents (SNAP) provides support, information and education services to families who have adopted children with special needs, and the professionals who work with those families throughout the province. SNAP offers support groups, a one-to-one contact resource parent network, education workshops, and conferences on adoption and special needs issues, particularly FAS. The Society operates a toll-free telephone line and publishes a bi-monthly news magazine and other information materials (such as the recently revised book 'Parenting Children Affected by Fetal Alcohol Syndrome: A Guide for Daily Living'). SNAP also maintains a Resource Lending Library with over 14,000 items -- books, periodicals, reports, audio and video tapes and even some games. SNAP is a provincially registered, non-profit society and a federally registered charity. Membership is open to anyone interested in special needs adoption issues.

E-mail: wendyb@beststart.org Web Site: <http://www.beststart.org>

Services: Best Start provides consultation, training and resources to help prevent and address alcohol use in pregnancy. Best Start has designed a range of resources for the general public, as well as training resources for health care providers. Best Start assists groups by phone, fax and email, and provides on-site services.

Dryden Native Friendship Centre

Janis Wessel, Community Support Worker

53 Arthur St.

Dryden, ON P8N 1J7

Tel: (807) 223-4180, Ext. 28 Fax: (807) 223-7136

Email: ve3jns@msn.com

Services: This program serves the urban Aboriginal community and provides education and awareness regarding Fetal Alcohol Spectrum Disorders. A Resource Library is available at the Centre and there is a support group meeting every month for parents of children with FASD.

Breaking the Cycle

Ms. Margaret Leslie, Director, Early Intervention Programs

107 - 761 Queen St. West

Toronto ON M6J 1G1

Tel: (416) 364-7373, ext. 204 Fax: (416) 364-8008

E-mail: btcycle@mothercraft.org Web Site: <http://www.breakingthecycle.ca>

Services: Breaking the Cycle is a prevention and early intervention project designed to reduce risk and enhance the development of substance-exposed children (prenatal - 6 yrs) by addressing maternal addiction problems and the mother-child relationship in a single-access, community-based model. Through the efforts of 7 partner agencies (Mothercraft, The Jean Tweed Centre, Children's Aid Society of Toronto, Catholic Children's Aid Society, Hospital for Sick Children - Motherisk Program, St. Joseph's Health Centre and Toronto Public Health), the program offers integrated addiction counselling, parenting, health/medical, pregnancy outreach and child developmental services to women who are pregnant and/or have young children, and have substance use problems. Breaking the Cycle has engaged in knowledge exchange activities which have resulted in the development of the following FASD resources: Enhancing Fetal Alcohol Syndrome (FAS)-related Interventions at the Prenatal and Early Childhood Stages in Canada. Ottawa: Health Canada (M. Leslie & G. Roberts) 2001 (www.ccsa.ca); Demonstration Project to Provide On-Line Training and Consultation on Evidence-Based Practices for Front-Line Practitioners in Health Canada's CAPC/CPNP Network (2002); Different Directions: Understanding Fetal Alcohol Syndrome: A Train the Trainer Manual (2002), and three accompanying training videos: Different Directions: Understanding FAS (2002), Different Directions: Community Prevention (2003), Different Directions: Early Interventions in FAS (2004); The SMART GUIDE: Motivational Approaches Within the Stages of Change for Pregnant Women Who Use Alcohol: A Training Manual for Service Providers Kingston: AWARE (W. Reynolds & M. Leslie 2002); Nurturing Change: Working Effectively with High Risk Women and Children to Prevent and Reduce Harms Associated with FASD. Ottawa: Health Canada (M. Leslie & G. Roberts 2004) (www.mothercraft.org; www.ccsa.ca)

CAPC/CPNP Healthy Child Development Team, FASD Lead

Ms. Donna De Filippis, Program Consultant

Public Health Agency of Canada

25 St. Clair Ave. East, 4th Flr.

Toronto ON M4T 1M2

Tel: (416) 954-9754; (905) 833-0259 Fax: (905) 973-0009

E-mail: donna_de_filippis@phac-aspc.gc.ca

Services: The Community Action Program for Children (CAPC) and the Canada Prenatal Nutrition Program (CPNP) are programs delivered through the Public Health Agency regional offices. CAPC delivers services that address the developmental needs of at risk children from birth to 6 years of age. CPNP is designed to provide nutrition counselling, support, referral and counselling on lifestyle issues to pregnant women at risk. Programs are community based and some also deal with substance use issues.

Care Lines

ON

Services: Care Lines are parents and caregivers who have agreed to share experiences and to listen.

Current telephone volunteers are:

Algoma District - Gilles Hachey: (705) 848-6256

Unionville/Markham - Marg Murphy: (905) 477-2425

Centre for Addiction and Mental Health Library

Ms. Sheila Lacroix, Library Coordinator

33 Russell St.

Toronto ON M5S 2S1

Tel: (416) 535-8501, ext. 6982(416) 595-6144 Fax: (416) 595-6601

E-mail: sheila_lacroix@camh.net; library@camh.net Web Site: <http://www.camh.net>

Services: With the back-up of an extensive collection of resources on the topics of Alcohol and Pregnancy and FAS/E, the CAMH Library reference service responds to requests for information and referrals from professionals, students and the general public. In addition, many of the library resources are available through inter-library loan within Canada.

Children's Hospital of Eastern Ontario

Dr. Judith Allanson, Clinical Geneticist

401 Smyth Rd.

Ottawa ON K1H 8L1

Tel: (613) 737-2275 Fax: (613) 738-4822

E-mail: allanson@cheo.on.ca

Services: Dr. Allanson provides assessment of children and adults to determine the likelihood of an FAS/FAE diagnosis.

FASAT (Ontario)

Ms. Chris Margetson, Senior FASD Consultant

c/o Homewood Health Center, CADS

100 - 49 Emma St.

Guelph ON N1E 6X1

Tel: (519) 822-2476; (519) 341-0295 Fax: (519) 822-4895

E-mail: fasat@golden.net Web Site: <http://www.fasat.ca>

Services: This organization has been developed in order to meet the needs of children with FASD and their families across Ontario and beyond, by providing professional development for workers and supportive training for families that work with or care for them. Advocacy and support to families across the province is provided by e-mail, telephone and in person, depending on location of family and through various support groups that we initiate, support and/or facilitate. FASAT provides an informational web site for use by caregivers, professionals or others having an interest in FASD. In Guelph & Wellington County there are 3 facilitated groups, for birth families, adoptive families and for families in the northern area of the county. FASAT partners with agencies and organisations who provide prevention activities/support.

FASD Aboriginal Support Group

Ms. Marja George, R.N.

Kettle and Stony Point Health Center

P.O. Box 670

Forest ON N0N 1J0

Tel: (519) 786-5647 Fax: (519) 786-4541

E-mail: marjag@ksphs.on.ca

Services: Provides support and information to families and individuals affected by prenatal alcohol exposure. Support group meetings are held on the last Thursday of each month.

FASD Durham

Ms. Sheila Burns, Project Coordinator

Resources for Exceptional Children - Durham Region

865 Westney Road South

Ajax ON L1S 3M4

Tel: (905) 427-8862, ext. 346

E-mail: sburns@rfecdurham.com

Services: The FASD Durham Committee works to ensure children and adults with FASD living in Durham Region have a knowledgeable support network. The Committee is comprised of health and social service agencies, parents and educators committed to enhancing services, increasing awareness, developing prevention initiatives, improving community capacity, and providing diagnostic and assessment expertise. Conferences and in-service training are offered throughout the year in collaboration with community partners. The FASD Parent Support Group meets monthly to discuss the challenges and joys of parenting a child with FASD. The FASD Durham Project, funded by Ontario Trillium Foundation, coordinates Committee activities.

FASlink (Fetal Alcohol Spectrum Disorders Information, Support & Communications Link)

Mr. Bruce Ritchie, Moderator

2445 Old Lakeshore Rd.

Bright's Grove ON N0N 1C0

Tel: (519) 869-8026 Fax: (519) 869-8026

E-mail: info@faslink.org Web Site: <http://www.faslink.org>

Services: FASlink provides support and information for individuals, families and professionals who are working with and caring for those affected by prenatal alcohol exposure. FASlink maintains both an extensive FASD information website and a discussion listserv. The website serves more than 400,000 people annually with more than 100,000 FASD related documents in a searchable database. FASlink publishes the FASlink CDROM and FAS InfoDisk (for download from the website) as well as other educational material. The FASlink Discussion Forum is a moderated email discussion group that provides support and information 24/7 and serves parents (birth, foster and adoptive), caregivers, adults with FASD, doctors, teachers, social workers, lawyers, students, psychologists, law enforcement, judiciary and corrections professionals as well as government policy makers, etc. The listserv shares 50 to 100 letters daily. Membership varies seasonally as we also help to educate students. FASlink's online discussion forum is the primary Canadian FASD communications network and includes members worldwide. To join the FASlink listserv, go to <http://www.faslink.org> and click on the link to the FASlink Discussion Forum, or go directly to <http://listserv.rivernet.net/mailman/listinfo/fas-link>.

Ontario

FASworld - Hamilton and District

Dr. Barry Stanley, President

107 Bath Street

Oakville ON L6K 1A7

Tel: (905) 849-3860

E-mail: bmy@sympatico.ca

Services: FASworld - Hamilton and District supports individuals and families affected by FASD, holds monthly meetings in Hamilton, disseminates knowledge and understanding of FASD and assists in the establishment of FASD diagnostic centers. You may also contact Rick and Martha Bradford at (905) 578-9091.

FASworld Toronto

Ms. Bonnie Buxton, President

E-mail: info@nativechild.org

Services: The following programs are available: Youth with FAS Support Group offers traditional and contemporary approaches to support Aboriginal youth with FASD between the ages of 16-24; Children with FASD five day summer camp offers a safe and structured environment for children between the ages of 8 - 12, providing respite for caregivers; Parents with FASD Support Group is offered once a week and provides ongoing support for parents living with FASD (diagnosed or undiagnosed); Parenting Children with FASD is a ten week session that looks at education, behavioural and environmental techniques for caregivers and parents.

New Choices

138 Herkimer St.

Hamilton ON L8P 2H1

Tel: (905) 522-5556 Fax: (905) 522-6046

Services: New Choices is an innovative, collaborative, inter-agency program that offers single access services of information, support, treatment and advocacy to women who are pregnant or parents of young children (0-6 years). The goal of the program is to empower women to make new choices that will reduce the incidence and impact of child development delays caused by prenatal exposure to drugs/alcohol and/or the impacts of a woman's poverty, substance use, mental health, and abuse survivor issues upon her ability to optimally parent, provide and care for her children. The flexible services are provided in a safe, welcoming environment and include parenting, lifeskills, social recreational, addiction/mental health, and child development assessment, education and therapy. Child care is provided on site.

Niagara Parent Support Group for Neurodevelopmental Disorders

Ms. Carol Haymes

Courrier électronique : info@safera.qc.ca Site Web : <http://www.safera.qc.ca>

Services: SAFERA est un organisme canadien oeuvrant en français dont la mission est la prévention, l'information et la formation sur les effets de l'exposition prénatale à l'alcool, le SAF/EAF, et accessoirement sur les effets de l'exposition aux solvants et autres drogues. SAFERA a conçu et distribue des affiches, des dépliants et autres documents sur le SAF, publie le SAFville Express, un bulletin trimestriel, et offre l'accès par son site Internet à une liste de discussion électronique, SAF-fil.

Saskatchewan

Adoption Support Centre of Saskatchewan, Inc.

203 - 510 Cynthia St.

Saskatoon SK S7L 7K7

Tel: (306) 665-7272; 1-866-869-2727 (toll free in Saskatchewan) Fax: (306) 665-7274

E-mail: adoption.support@sasktel.net

Services: ASCS provides information, support, resources and referrals to adoptive families and to those interested in adoption. ASCS publishes a bi-monthly newsletter and maintains a comprehensive lending library of materials related to adoption and parenting adopted children, including print and A/V resources on most aspects of FAS/FAE.

Baby S.A.F.E.

Ms. Connie Banks, Project Coordinator

Family Futures Program

1895 Central Ave.

Prince Albert SK S6V 4W8

Tel: (306) 763-0760 Fax: (306) 763-1430

E-mail: familyfutures@sasktel.net

Services: Baby S.A.F.E. (Substance Abuse Free Environment) is designed to offer support to pregnant and breastfeeding women in their efforts to maintain abstinence from harmful substances in order to prevent life-long handicaps to their babies. This educational/support group meets once a week. One facilitator provides transportation, childcare and a well balanced meal for all participants.

Battlefords Interagency Committee on FASD

Ms. Colleen Sabraw, Chair

c/o Battlefords Early Childhood Intervention Program

Box 1297

North Battleford SK S9A 2V9

Tel: (306) 446-4545 Fax: (306) 446-0575

E-mail: becip@sasktel.net

Services: The Battlefords FASD Committee is an inter-agency group established to promote FASD awareness through prevention and support activities. Each year activities are planned around September 9th to promote awareness with children and adults within schools, agencies and organizations. We receive support through grants, donations and the sale of FAS knots and pins.

Battlefords Tribal Council Indian Health Services Inc.

Ms. Sandra Favel Rewerts, Director of Health Promotion and Planning

FASD Prevention Program

1192 - 101st Street

North Battleford SK S9A 0Z6

Tel: (306) 937-6700 Fax: (306) 445-8355

E-mail: sfrewerts@btchealth.org

Services: Women who are at risk for delivering a child with FASD are assessed and provided with supportive home based outreach services. Individual care plans are developed and resources are mobilized to meet their needs and to protect their unborn child.

Saskatchewan

Canadian Metis Heritage Corp.

Ms. Debra Edin, Director of Operations

Box 2818

Melfort SK S0E 1A0

Tel: (306) 752-4950 Fax: (306) 752-4937

E-mail: metisheritage@sasktel.net

Services: The goal is to provide awareness, resources and tools to assist individuals, families, caregivers and the community with prevention, intervention and awareness of Fetal Alcohol Syndrome. Presentations are made available to schools, community groups, organizations and conferences upon request. Components on FASD are integrated into regular programming offered at the Marguerite Riel Centre and the Alexander Bremner Youth Centre. Assessments, referrals, transportation to treatment and a weekly addiction circle are additional components offered. Outreach, home visits and family support enhance all of the above components.

CAPC/CPNP/AHS Regional Programs, FASD Lead

Ms. Elizabeth Dorion, Program Consultant

Public Health Agency of Canada

1920 Broad St., 18th Flr.

Regina SK S4P 3V2

Tel: (306) 780-3276 Fax: (306) 780-6207

E-mail: elizabeth_dorion@phac-aspc.gc.ca

Services: CAPC (Community Action Program for Children) and CPNP (Canada Prenatal Nutrition Program) are programs delivered through Public Health Agency of Canada regional offices. CAPC delivers services that address the developmental needs of at risk children from birth to 6 years of age. CPNP is designed to provide food supplementation, nutrition counselling, support, education, referral and counselling on lifestyle issues to pregnant women at risk. AHS (Aboriginal Head Start) is an early childhood initiative preschool program for Aboriginal children. Programs are available throughout the province and are community based.

Circle Project

Ms. Heather Sinclair, FASD Educator and Outreach Worker

1102 8th Avenue, 2nd Flr.

Regina SK S4R 1C9

Tel: (306) 347-7515 Fax: (306) 347-7519

E-mail: heather_sinclair2@hotmail.com

Services: This program works within Kids First Regina program as support staff in consultation with home-visitors and child care centres. This program also provides education about FASD in the community to a wide variety of audiences and provides strategies and support to families in the community within a holistic approach.

Independent Medical Rehabilitation

Dr. Jo Nanson, Ph. D., Registered Doctoral Psychologist

Tel: (306) 833-5502 Fax: (306) 833-2474

E-mail: louis.roy@kyrha.sk.ca

Services: This Committee is active in providing education to local communities within the health district and to schools. Prevention and public awareness activities are also undertaken and a phone-in radio show on FASD takes place on September 9th.

Kinsmen Children's Centre

Alvin Buckwold Child Development Program
1319 Colony St.

Saskatoon SK S7N 2Z1

Tel: (306) 655-1070 Fax: (306) 655-1449

Services: The Centre serves children's special health needs that may include physical and intellectual disabilities and/or genetic metabolic disorders. Services provided by a team include assessment, diagnosis, consultation, treatment and management of children and youth suspected of having Fetal Alcohol Syndrome (FAS), partial FAS, Alcohol Related Neurodevelopmental Disorder (ARND) or Alcohol Related Birth Defects (ARBD). Periodic reviews of the child's development may also be done at 5 and 10 years. On site is a Family Resource Room which supports families by providing current information on disabilities as well as the services and programs available to help children with special needs and their families. A lending library of books and print resources is available.

Kozmic Visual Connections

Ms. Shelley Kolisnek

246 Whitecap Crescent

Saskatoon SK S7M 5C7

Tel: (306) 978-3362 Fax: (306) 242-9249

E-mail: kozmicvc@shaw.ca

Services: KVC develops and manufactures a variety of ready-to-use visual supports for individuals with FASD or other intellectual disabilities. These visual kits, cues and guides encourage growth and learning in areas such as: independence, social skills, self esteem, self regulation and communication.

Meadow Lake FASD Committee

Ms. Monica Harper, Chairperson

c/o Kids First

Box 970

Meadow Lake SK S9X 1Y7

Tel: (306) 236-6441 Fax: (306) 236-6447

E-mail: mharperatkidsfirst@sasktel.net

Services: The committee is comprised of various individuals from the human service sector in Meadow Lake and, additionally, focuses on including the private sector and, most importantly, families and individuals impacted by the disorder. The committee's work is focused on providing educational opportunities for the prevention of FASD and support to those affected.

Saskatchewan

Northern Interdepartmental Committee for the Prevention of FAS/FAE

Saskatchewan

Saskatchewan Clinical Teratology Program

Dr. Patricia M. Blakley

Department of Pediatrics, Royal University Hospital
103 Hospital Dr.

Saskatoon SK S7N 0W8

Tel: (306) 655-1096 Fax: (306) 655-1449

E-mail: patricia.blakley@saskatoonhealthregion.ca

Services: The Program provides pre-conception, prenatal and postnatal assessments in regard to drug exposure during pregnancy. A major focus of the Program is the diagnosis and management of children prenatally exposed to alcohol. The Program also provides continuing medical education on issues relating to teratogenesis.

Saskatchewan Fetal Alcohol Support Network, Inc.

Ms. Marion Tudor, President/Caregiver

Mr. Terry Hellquist, Treasurer/Caregiver

510 Cynthia Street

Saskatoon SK S7L 7K7

Tel: (306) 975-0884; 1-866-673-3276 (toll free in Canada) Fax: (306) 242-8007

E-mail: fas.esupportnetwork@sasktel.net Web Site: <http://www.skfasnetwork.ca>

Services: The Network is a parent-led group working to unite families and interested professionals who live and work with individuals affected by Fetal Alcohol Spectrum Disorder. The goal of the Network is to promote peer support and the exchange of information within the province to ultimately provide the best environment possible for all persons with FASD. The Network produces a bi-annual publication, 'Living With FASD' plus a quarterly newsletter, 'Network News' available via email.

Saskatchewan First Nations Women's Commission

Ms. Erica Beaudin, Executive Director

Federation of Saskatchewan Indian Nations

490A Hoffer Drive

Regina SK S4N 7A1

Tel: (306) 721-2822 Fax: (306) 721-2707

E-mail: erica.beaudin@fsin.com

Services: The Saskatchewan First Nations Women's Commission is the recognized political voice that lobbies, advocates and assists Saskatchewan First Nations communities and Tribal Councils as they address FASD in their communities and regions.

Saskatchewan

Saskatchewan Health - Community Care Branch

Ms. Ginny Lane, FASD Consultant

3475 Albert St., 1st Flr.

Regina SK S4S 6X6

Tel: (306) 787-3862 Fax: (306) 787-7095

E-mail: glane@health.gov.sk.ca Web Site: http://www.health.gov.sk.ca/ps_fasd.html

Services: Information and referral services are provided to the public and professionals on FASD related initiatives and services. Saskatchewan Health is currently the Chair of the provincial Interdepartmental Committee on FASD. The mandate of the committee includes the development and implementation of a provincial FASD framework. Saskatchewan is also a member and 2003-04 chair of Canada Northwest FASD Partnership. This partnership includes seven western provinces and territories.

Saskatchewan Learning

Special Education Unit

2220 College Ave., 2nd Flr.

Regina SK S4P 3V7

Tel: (306) 787-2192 Fax: (306) 787-0277

E-mail: sharon.yuzdepski@sasked.gov.sk.ca

Services: In Saskatchewan, supporting students with exceptional learning needs is a shared responsibility. Saskatchewan Learning provides leadership in policy development, teacher resources, and funding support. Through ACCESS (Assistance, Collaboration, Consultation, Evaluation and Support Services), Saskatchewan Learning offers professional development on the topic of FASD to School Divisions and community as well as individual FASD consultations requested through a referral process. Locally elected boards of education have the legal responsibility and authority to provide appropriate programs and supports to students with FASD.

Saskatchewan Prevention Institute

Ms. Lois Crossman, FASD Prevention Program Coordinator

Ms. Laurie Brand, FASD Educator

1319 Colony St.

Saskatoon SK S7N 2Z1

Tel: (306) 655-2512 Fax: (306) 655-2511

E-mail: info@preventioninstitute.sk.ca Web Site: <http://www.preventioninstitute.sk.ca>

Services: The Prevention Institute is a non-profit organization that works to raise awareness and educate the people of Saskatchewan about the prevention of disabling conditions in children. The Prevention Institute administers a provincial FASD Prevention Program with the following objectives: promoting awareness, education and understanding of the causes and factors relating to FASD through workshops, presentations, a FASD Speakers Bureau and a provincial communication campaign; developing and sharing evidence-based resources with professionals, service-providers and community groups; supporting communities and regional FASD committees through outreach in the development of initiatives to address the prevention of FASD; facilitating provincial coordination, networking and the sharing of FASD information and resources

Saskatchewan

Saskatoon Association for Community Living (SACL)

Ms. Jeanne Remenda, Executive Director

102 - 135 Robin Cres.

Saskatoon SK S7L 6M3

Tel: (306) 652-9111 Fax: (306) 652-9112

E-mail: sacljr@sasktel.net

Services: SACL advocates for persons with intellectual handicaps including Alcohol Related Neurodevelopmental Disorder and FAS/FAE.

Southern Saskatchewan FASD Diagnostic and Intervention Centre

Ms. Cheryl Charron, FASD Case Co-ordinator

Regina Community Clinic

1106 Winnipeg St.

Regina SK S4R 1J6

Tel: (306) 543-7880, Ext. 268 Fax: (306) 543-5545

E-mail: fasd@reginacommunityclinic.ca Web Site: www.reginacommunityclinic.ca

Services: Offers diagnostic services for ages 6 and up. The diagnosis is seen as the beginning of a process of which intervention and support services are a vital component. People who are already diagnosed or are suspected of having FASD are also eligible for services.

Yorkton & Area FASD Committee

Ms. Tamara Dobmeier

c/o Sunrise Health Region

270 Bradbrooke Dr.

Yorkton SK S3N 2K6

Tel: (306) 786-0558 Fax: (306) 786-0540

E-mail: tamara.dobmeier@shr.sk.ca

Services: This committee is a community partnership of human service professionals and community members who promote healthy lifestyle choices for pregnant women. The committee provides educational opportunities, FASD Prevention kits and special community projects, for example: in partnership with Yorkton Library, a FASD resource section in the library has been set up.

Saskatchewan

Yukon

CAPC Regional Programs

Ms. Pat Martin, Program Consultant

Northern Secretariat - Yukon Public Health Agency of Canada

100 - 300 Main St.

Whitehorse YT Y1A 2B5

Téléphone : (867) 393-6780 Télécopieur : (867) 393-6772

Courrier électronique : pat_martin@phac-aspc.gc.ca

Services: CAPC (Community Action Program for Children) programs are delivered through Public Health Agency of Canada regional offices. CAPC delivers services that address the developmental needs of at risk children from birth to 6 years of age.

Child Development Centre

Rachelle Best, Executive Director

P.O. Box 2703

Whitehorse YT Y1A 2C6

Tel: (867) 456-8182 Fax: (867) 393-6374

E-mail: info@cdcyukon.ca; irene.szabla@cdcyukon.ca

Services: The Child Development Centre provides early intervention services to children and their families throughout the Yukon. As part of these services, the centre has an FASD Diagnostic and Support Team. Assessment and follow-up support are completed with the input of families and other related agencies. Individual program plans are tailored to meet children's specific needs. The centre provides workshops and training upon request.

Community Based Programs

Ms. Roslyn Woodcock, Manager

Northern Secretariat - Yukon Public Health Agency of Canada

100 - 300 Main St.

Whitehorse YT Y1A 2B5

Tel: (867) 393-6770 Fax: (867) 393-6772

E-mail: roslyn_woodcock@phac-aspc.gc.ca

FASD Prevention Initiative
